

# Tactical Pistol Course

## By Colt Defense LLC

The training theme of Colt is “The first person to put effective rounds on target wins the gunfight.” This training will primarily consist of practical applications on the firearms range. Topics covered will include: Marksmanship, Manipulation, Positions of Carry, Loading and Unloading, Drawing From Holsters, SOP’s after engaging a threat, Emergency Reload / Combat Reload, Tactical Reload, Magazine Exchange, Immediate Action, Shooter’s Box, Qualification course at the end of training, Assorted Range Drills (slow fire, controlled pair and immediate threat from the ready and the holster), Shooting on the move (forward, backward, lateral and group drills), Advanced Training (90 degree turns, 180 degree turns, walking and turning, room entry techniques and engage threats / targets).
